(all subject to change)

The Makeup Studio at our Gloucester Campus offers learners the chance to train in facilities which are industry standard and will enable you to develop your skills in consultation, customer service and current techniques, giving you the confidence to give pre and after treatment/service advice using a variety of professional makeup brands.

Throughout your training programme you will be required to practise your skills on your peers to develop your skills and you may take clients to gain the widest possible range of experiences and employability skills. As in a professional environment, students will be expected to give our clients the highest possible customer care and portray a professional image.

Students are expected to source their own models for mock assessments and final exams to encourage working on lots of different faces in readiness for industry.

How will I be assessed?

Written assignments and projects
Coursework and homework tasks
End of year exams - practical and theoretical
Portfolio of evidence

There are supplementary costs for material, books, course trips and visits. Financial assistance may be available. Please enquire with Student Services.

This is an exciting opportunity for you to take the first steps in becoming a make-up artist and you need to be creative, have imagination and be willing to take part in extracurricular activities, which will help build your skills and knowledge of the make-up industry and prepare you for Level 3.
